Economics, Business & Organization Research Conference Conference
EBOR 2020
20 - 22 November 2020

(Virtual Conference)

The first of our international conference called BOR (Business & Organization Research), organized at Karabük University/Safranbolu and the second one was organized at Yasar University, Turkey with the total participation of 590 national and international scientists, and it is our great pleasure to invite you to the 3rd International Conference on “Business and Organization Research” in only virtual presentation. The theme of the conference is “Reflections of Digital Transformation from Theory to Practice”.

We invite academics and scholars from all the relevant disciplines to submit their papers and ongoing research findings to this stimulating and exciting conference. Aim of our peer-reviewed conference is to bring together the world’s leading scholars and opinion leaders and to increase our understanding of emerging scientific issues and research methodologies relating to business management, public administration, finance, management and organization, organization sociology, social work, economic and social sciences. Please, engage freely in discussions, share your ideas and build relationships among the group of leading researchers.

The presented papers in the conference will be published in an e-book as an abstract or full paper. The selected papers, after the examination of the Scientific Board and, will be published in the conference journals as full papers following on acceptance after the review process in the journals.

The official language of the conference is English.
