International Webinar Series of Anatomy; First session on “Cerebellar Development”

We are pleased to invite you to the International Webinar Series of Anatomy. The first session will discuss “Cerebellar Development in Health and Diseases; Cerebellar Nuclei Neurogenesis and Early Circuit Formation” which will be held on Saturday, September 26 th 2020 at 1:00 PM (GMT) , 4:30 PM (Tehran local time) .

The webinar will take place within Zoom application and in English. You may register for free and join us via this link:

<https://docs.google.com/forms/d/e/1FAIpQLSf6VrzsHsETw8KaDrBvPICUXtbZOd5E18ZovKpac7HGLHENeg/viewform>

You may find more information about the event via our website:

<http://en.tums.ac.ir/appraisetoraise/en/content/397/cerebellar-development-in-health-and-diseases>

It is my great pleasure to invite and welcome all of the great scientists, academicians, young researchers, and students who are interested in the topic from all over the world to attend.

We would also appreciate it if you could kindly share the announcement of this event with your colleagues, classmates, institutes and bodies that may benefit from or contribute to this webinar.

Looking forward to seeing you at the webinar.
