

UNIwersytet
w Białymstoku

Dear Colleagues!

We are delighted to invite you to participate in the

1st International online Conference

«Current legal challenges: international migration in the context of globalization»

The Conference will bring scientists, researchers, activists and practitioners from academia and industry to elaborate scientific ideas, share experiences, discuss migration issues, and find innovative strategies for migrant policies. The Organizing Committee is gearing up for exciting and informative Conference including keynote and plenary session, research presentations, recognition awards, industry talks, workshops and high standard publication opportunities.

The aim of the Conference is to find compromise international mechanisms for regulating the migration flows, which has increased significantly in the global economic crisis, to maximize the migration and potential for all involved countries (host countries, countries of departure), as well as for migrants themselves. in the global economic crisis.
