

INVITATION

The expectations of this conference are aimed at fostering discussion and co-operation in European and global level for the **topics:**

- The effects of climate change on time and biodiversity changes, aquatic ecosystems and life.
- Life on land and water, food quality and responsible consumption
- Climate change issues related to the economic and social activities of communities and businesses.
- Sustainable cities, active communities, strengthening institutions for sustainable development, and Environmental crime related to climate change.
- Stakeholder involvement in investments for clean and renewable energy, clean and sanitized water and public health welfare.
- Reduction of inequalities, equal education, multicultural and linguistic education, linked with awareness for climate changes and migration.
- Peace, Justice and Strong Institutions
- Environment and climate change
- Gender equality and climate change

Dear Colleagues,

We are happy to inform you that it is time for the **9th International Scientific Conference on Climate Change, Economic Development Environment and People (CCEDEP)**. This year the **CCEDEP** is organized by the [University of Shkoder "Luigj Gurakuqi"](http://www.unishk.edu.al) in association with the [Alliance of Central-Eastern European Universities](http://www.aceu.eu) and will takes place in **Shkodër (Albania) on November 18th, 2021**.

The Conference, as an ideal platform for regional strategic networking, aims to bring together scientists from the partner institutions of the alliance to present their projects, share their knowledge and identify the research, business and policy challenges in this area for the decade to come.

The abstract submission for the CCEDEP is now open. For more information, please visit the conference [website](http://www.ccedep.org).

Yours sincerely,

Prof. Suzana GOLEMI, PhD

Rector, University of Shkoder "Luigj Gurakuqi"

**Thursday, November 18th
10 AM Shkodër, Albania**
