- Kako izbjeći desk reject?
- Kako preživjeti recenzije?

Zašto objavljujemo?

4

Izvor: Key Perspectives Ltd.

Kako procijeniti kvalitet časopisa?

- ▶ Procjena kvaliteta na temelju karakteristika časopisa
- ▶ Procjena kvaliteta pomoću alata za rangiranje časopisa unutar određene skupine/polja koju nude citatne baze
- ▶ Procjena kvaliteta vezana za minimalne uslove za izbor u naučno-nastavna zvanja

Kako procijeniti časopis?

- Krajem 2015. godine, na prijedlog brojih uglednih baza i izdavača, pokrenuta je inicijativa i kampanja pod nazivom Think, Check, Submit (TCS) s glavnim ciljem pružanaj pomoći autorima pri odabiru časopisa u koji će poslati svoj rad.
- Na stranici <https://thinkchecksubmit.org/> može se pronaći niz korisnih alata i praktičnih informacija prilikom procjene relevantnosti izvora za objavu rada.

Ključna pitanja za procjenu kvaliteta na temelju karakteristika časopisa

- ▶ Ključna pitanja prilikom evaluacije časopisa su (Golenko, 2019, str. 5):
 1. Jeste li čitali članke iz tog časopisa?
 2. Da li je lako pronaći najnovije članke u časopisu?
 3. Kakav je prestiž i reputacija časopisa u odnosu na druge u istom području?
 4. Da li je časopis zastupljen/indeksiran u bibliografskim/citatnim bazama? Ako jeste, kojim bazama?
 5. Možete li lako kontaktirati izdavača časopisa?
 6. Je li na web stranici časopisa jasno istaknut način provođenja recenzija?
 7. Da li su jasno istaknuti troškovi koji se naplaćuju?
 8. Da li su Vam poznati članovi Uredništva i Uredničkog odbora?
 9. Naplaćuje li časopis objavu radova (engl. *publication charge*)?
 10. Koja se dužina i struktura rada zahtijeva prema kriterijima koje je časopis postavio?
 11. Da li časopis ima ISSN, e-ISSN i DOI broj?
 12. Mogu li se iskoristiti bibliometrijske karakteristike časopisa u postupku vrednovanja njegove kvalitete?

Ključna pitanja za procjenu kvaliteta na temelju alata za rangiranje

- Dvije najveće citatne baze, **Web of Science Core Collection (WoSCC)** i **Scopus**, ponudile su naučnoj zajednici slijedeća dva alata:
 - vrednovanje publikacija putem bibliometrijskih karakteristika časopisa i
 - rangiranje časopisa unutar određene skupine/polja prema kvartilama (Q1, Q2, Q3 i Q4).

WoSCC - JCR

- ▶ Journal Citation Reports (JCR) citatna je baza koja omogućava evaluaciju časopisa putem **faktora odjeka** (eng. *impact factor*).
- ▶ JCR omogućava provjeru da li je časopis zastupljen u WoSCC bazi korištenjem kvantitativnih pokazatelja za mjerenje, vrednovanje, kategoriziranje i komparaciju.
- ▶ Pristup WoSCC – JCR nije besplatan.
- ▶ Na osnovu pokazatelja o citiranosti, JCR svrstava časopise u određene **kvartile**.

Kvartili?

Q1

Časopis je prema visini svog faktora odjeka svrstan u prvih 25% časopisa s najvišim faktorom odjeka unutar skupine časopisa koji su svrstani u predmetno područje.

Q2

Časopis je prema visini svog faktora odjeka svrstan od 25% do 50% časopisa s najvišim faktorom odjeka unutar skupine časopisa koji su svrstani u predmetno područje.

SCImago Journal & Country Rank

- Donosi različite statističke podatke o časopisima/ zbornicima s konferencija/serijama knjiga, zemljama.
- Omogućava komparaciju publikacija i zemalja s obzirom na različite metričke pokazatelje itd.
- Besplatan pristup.

Bibliometrijski pokazatelji

- SCImago Journal Rank (SJR)
- Source Normalized Impact per Paper (SNIP)
- H-indeks ➡ Istraživač ima indeks **h** ako **h** njegovih radova ima najmanje **h** citata, a ostali radovi imaju najviše **h** citata.
- Podjela na kvartile.

Aims and Scope

Global Journal of Emerging Market Economies is a peer-reviewed journal. The aim of the journal is to provide an international platform for knowledge sharing, discussion and networking on the various aspects **related to emerging market economies** through publications of original research-including theoretical and empirical papers, review papers, policy papers, and book reviews. It aims to make available basic reference material and in-depth analysis for policy-makers, business executives and researchers interested in issues of fundamental importance to the economic growth and development of emerging market economies.

An abstract of 150-250 words is most desirable. The topics for discussion are related to the following general categories:

Aims and Scope

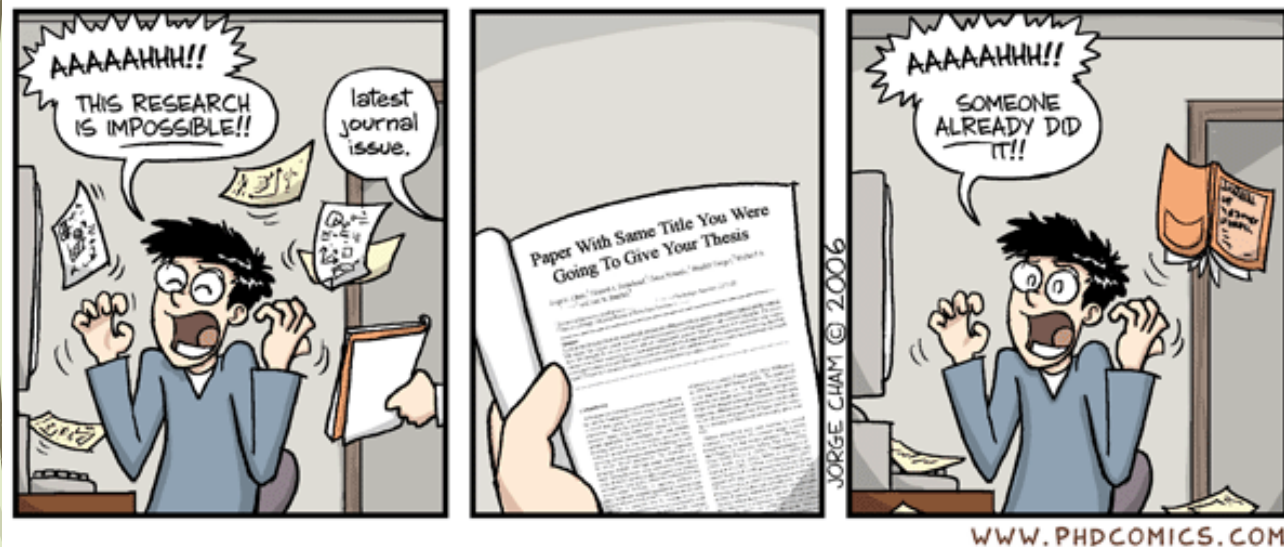

The *Journal of Management* welcomes empirical and theoretical articles **dealing with micro, meso, and macro workplace phenomena**. Manuscripts that are suitable for publication in the *Journal of Management* cover domains such as business strategy and policy, entrepreneurship, human resource management, organizational behavior, organizational theory, and research methods.

[More about this journal](#)

[All Issues](#)

Originalnost

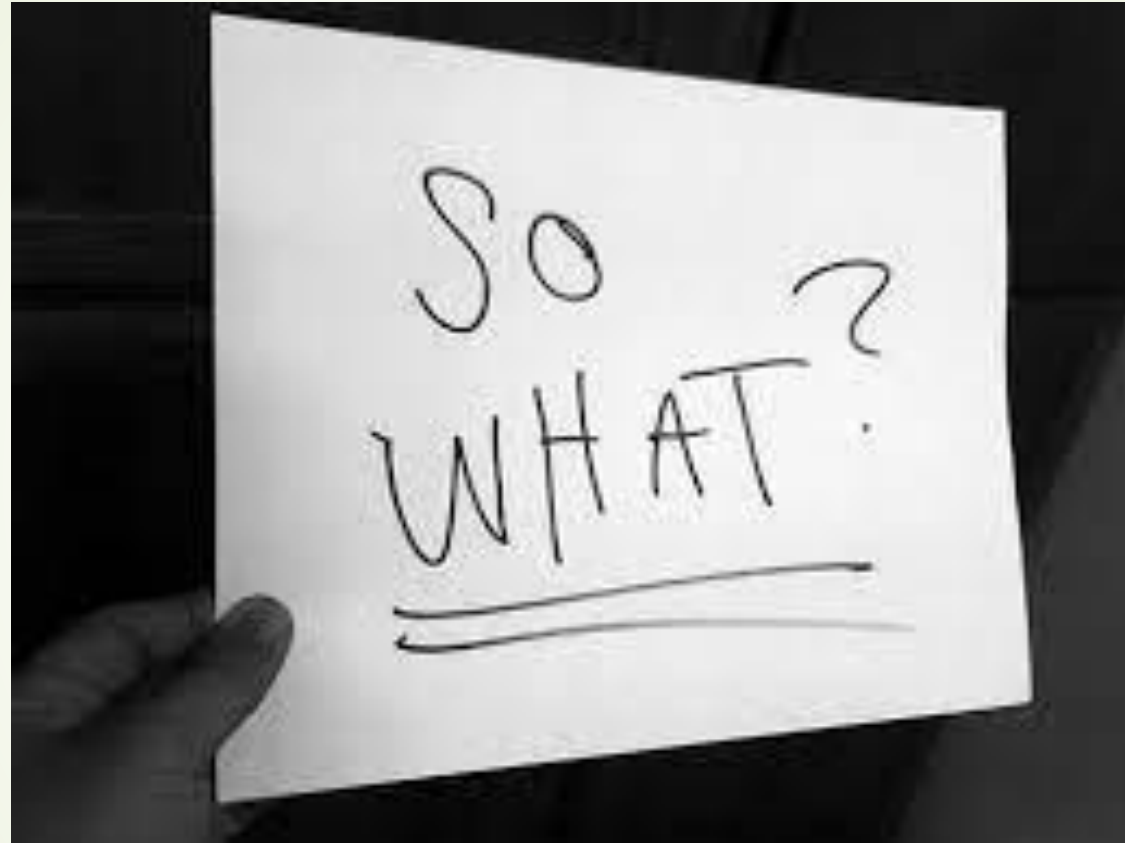

- Da li su rezultati prethodno publikovani (ili su u tom procesu)?

Metodologija

- Da li se primijenjena metodologija može jasno prepoznati?
- Da li je metodologija u skladu sa ciljem istraživanja?

Uobičajena struktura rada (IMRAD)

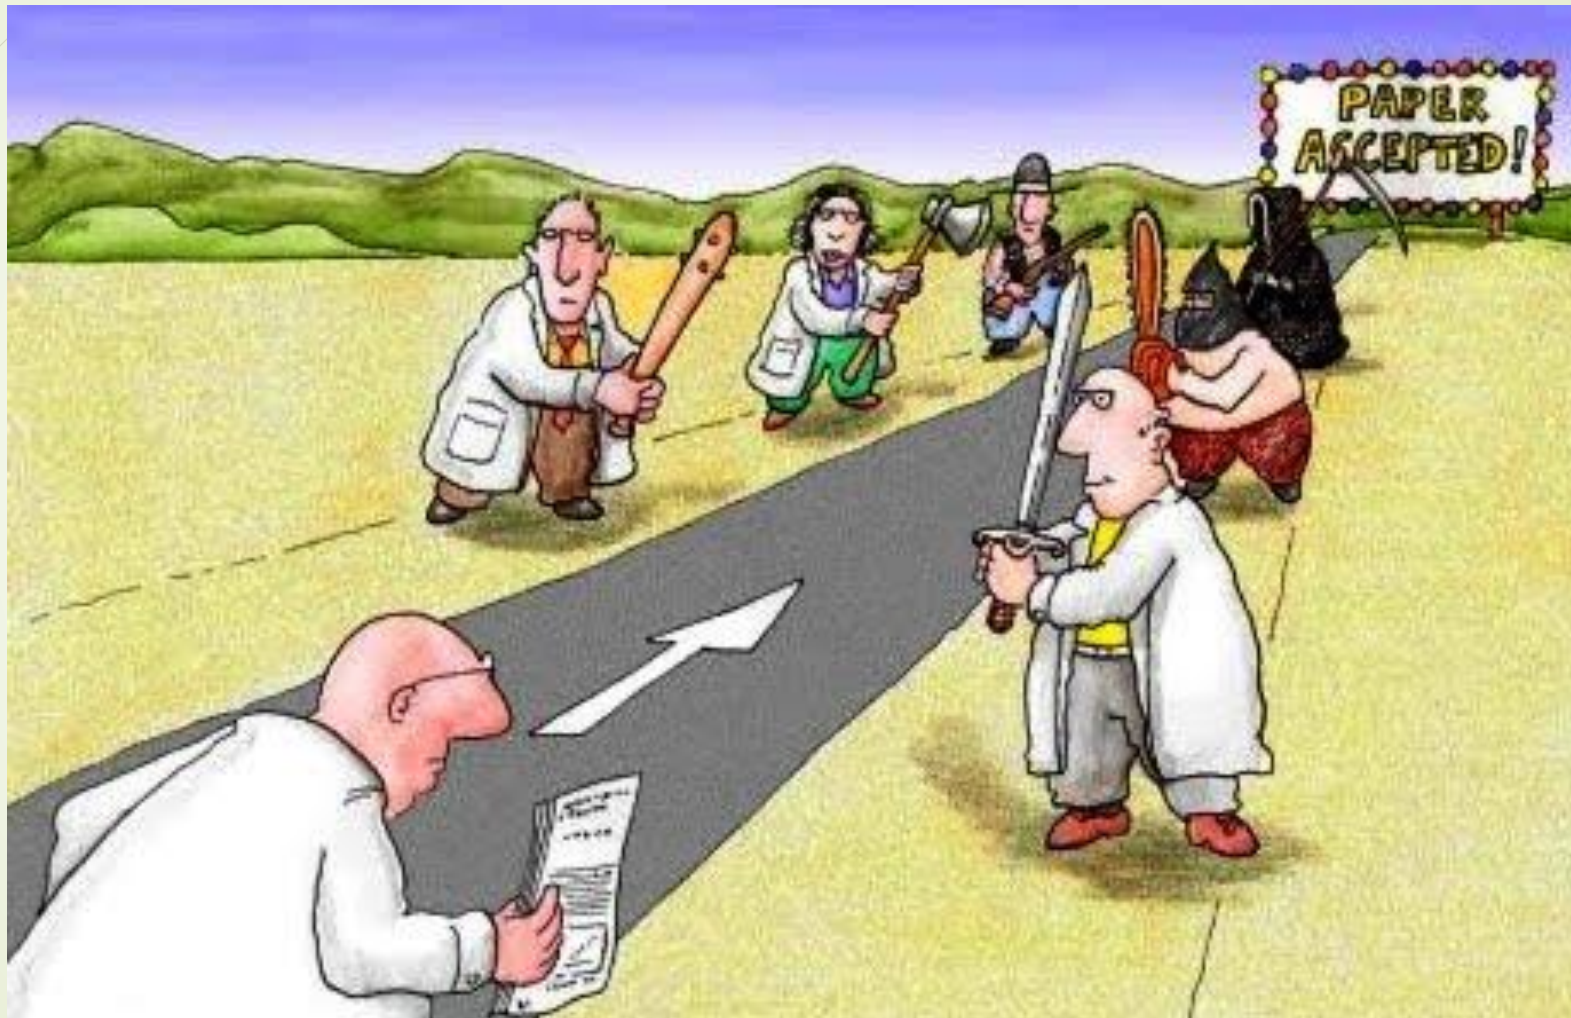

- Sažetak i ključne riječi
- Uvod
- 1. Pregled literature i teorijski koncept
- 2. Metodologija empirijskog istraživanja (varijable, indikatori, uzorak, instrumenti, prikupljanje i obrada podataka i sl.)
- 3. Analiza i diskusija rezultata istraživanja
- Zaključak
- Literatura
- Prilozi

Kako poslati rad?

- Online submission
- Putem e-mail poruke
- Propratno pismo (engl. *cover letter*)

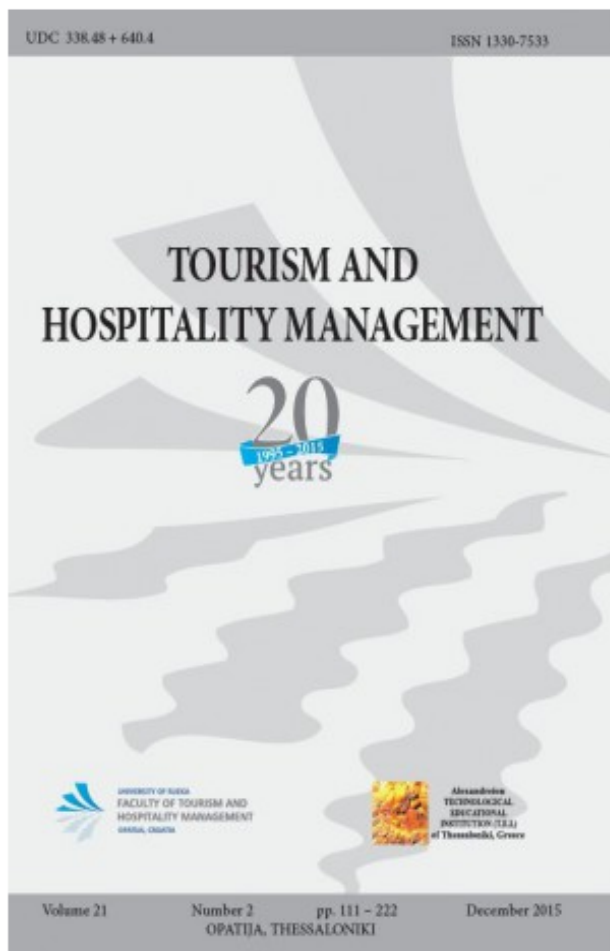

Recenzije

Recenzije

- Uobičajena je tzv. dvostruka anonimna recenzija (engl. *double blind peer review*).
- Jako je važno da časopis, kojeg ste odabrali, ima jasno istaknutu politiku recenziranja.
- Informacije o vrsti recenzije su važne, jer se na temelju uredničke politike časopisa i načina provedbe recenzijskog postupka, stječe dojam o ugledu i kvalitetu časopisa.

Izdavač: Sveučilište u Rijeci, Fakultet za menadžment u turizmu i ugostiteljstvu, Opatija

Tourism and Hospitality Management danas predstavlja renomirani međunarodni, multidisciplinarni časopis, u kojem se objavljuju istraživanja iz područja turizma i hotelske industrije, ali se prezentiraju i aktualne teme, koje su rezultat multidisciplinarnih istraživanja. Naglasak je na objavljivanju teorijskih spoznaja i rezultata empirijskih istraživanja, koji doprinose razvoju hotelsko-turističkog gospodarstva u zemljama jugoistočne Europe te pružaju potporu suvremenom menadžmentu u ovoj grani djelatnosti. Časopis nastoji potaknuti međusobnu razmjenu znanja i iskustva između znanstvenika, nastavnika i menadžera u turističkoj i hotelskoj industriji.

Objavljeni članci se anonimno recenziraju od najmanje dva recenzenta, na način da recenzent ne može biti iz institucije autora. Objavljeni znanstveni članci se kategoriziraju kao izvorni znanstveni rad, prethodno priopćenje i pregledni rad. Izlaganje sa znanstvenog skupa, stručni radovi, studije slučaja i prikazi knjiga se također objavljuju. Urednik zadržava pravo odbijanja radova koji ne udovoljavaju osnovnim kriterijima časopisa, bez upućivanja u postupak anonimnog recenziranja.

Časopis od 1995. izlazi dva puta godišnje, a od 2021. tri puta (svibanj, kolovoz i prosinac), izdavanje časopisa financijski podupire Sveučilište u Rijeci, Fakultet za menadžment turizmu i ugostiteljstvu. Naklada je 50 primjeraka.

Časopis se redovito distribuira na mnogobrojne inozemne institucije, ima široki krug korisnika te predstavlja danas jedan od vodećih znanstvenih časopisa u području turizma i hotelskog menadžmenta u jugoistočnoj Europi. Zauzima prominentnu ulogu u osiguranju informacijske osnovice za poboljšanje teorije i prakse turističko-hotelske industrije. Tekstovi objavljeni u časopisu, referiraju se u sljedećim bazama: ABI/INFORM (Proquest), CAB Abstracts - Leisure, Recreation and Tourism Abstracts (CABI Publishing), Cabell's Directories, EconLit (The American Economic Association), Emerging Sources Citation Index (ESCI)(Clarivate Analytics), ERIH Plus, Hospitality & Tourism Complete (EBSCO Publishing), Hrčak, RePEc, Scopus, ZBW – Deutsche Zentralbibliothek für Wirtschaftswissenschaften.

Recenzija: vanjske recenzije, pretežito inozemna, svi radovi, dvostruko slijepa, dvostruka

Prva godina izlaženja: 1995.

Distinguish yourself in three easy steps

ORCID provides a persistent digital identifier (an ORCID iD) that you own and control, and that distinguishes you from every other researcher. You can connect your iD with your professional information — affiliations, grants, publications, peer review, and more. You can use your iD to share your information with other systems, ensuring you get recognition for all your contributions, saving you time and hassle, and reducing the risk of errors.

[FIND OUT MORE ABOUT OUR MISSION AND VALUES](#)

Još ponešto...

- Kako bi identifikacija autora bila jednostavnija različite baze uspostavljaju različite lične identifikatore, a jedan od njih je i **ResearcherID** kojeg je prvi puta 2008. godine predstavio Thomson Reuters.
- Od aprila 2019. godine **ResearcherID** prelazi na platformu **Publons** koja nudi različite mogućnosti kao što je, primjera radi, praćenje statusa recenzenata u relevantnim publikacijama.
